

The Centre in September: Czech Language Courses for EU Citizens

Dear friends,

In our monthly newsletter you will find out what kind of events we are preparing for you in September. We will organize adaptation-integration courses in four languages, and we are starting registration for Czech language courses for EU citizens.

Registration for Czech Language Courses in Autumn

Are you an EU citizen and do you want to learn Czech? Register for one of our language courses. The courses are led by experienced professionals and are free of charge. Meet new people and improve your Czech. Registration begins on September 4. We will open 12 courses in total ranging from A1 level to B1. We will then start the courses from September 20.

Welcome to the Czech Republic

Thanks to adaptation-integration courses you will be introduced to Czech cultural traditions, and you will be able to orient yourself in the Czech society. The courses are compulsory for some foreigners from third countries. In September, you can take the course in one of these languages: English, Ukrainian, Russian and Arabic.

Create your CV in Czech

Are you from Ukraine and are you looking for a job in the Czech Republic? Thanks to the interactive form from the Skill Centre, you can create your professional CV in Czech. Through this CV, you can introduce yourself to potential employers. A correctly created CV can help you find the job you are looking for.
